

# AZIZAT SAGAYA

Sudbury, Canada | [sagaya.azizat@gmail.com](mailto:sagaya.azizat@gmail.com) | [www.linkedin.com/in/azizat-sagaya](http://www.linkedin.com/in/azizat-sagaya) |

Analytical and results-driven professional with extensive experience in data analysis, financial operations, and program management across banking and government sectors. Proficient in SQL, Excel, Tableau, and Power BI, with a proven ability to design interactive dashboards, automate reporting workflows, conduct root-cause analysis, and develop predictive models that enhance operational efficiency and inform strategic decision-making. Skilled in financial transaction management, regulatory compliance, and risk mitigation, with a strong track record of ensuring data integrity, process optimization, and accurate reporting. Adept at collaborating with cross-functional teams, translating complex datasets into actionable insights, and supporting evidence-based decision-making to drive business and policy outcomes.

## TECHNICAL SKILLS

- **Programming & Query Languages:** SQL, Excel
- **Data Visualization & BI Tools:** Power BI, Tableau, Excel
- **Database Management:** Microsoft SQL Server, MySQL, PostgreSQL
- **Cloud & Collaboration Tools:** Microsoft Windows Server, Google Suite, Microsoft Office Suite, Slack, Zoom, Team Viewer

## CORE COMPETENCIES

- |                         |                                  |                                       |
|-------------------------|----------------------------------|---------------------------------------|
| • Data Analysis         | • Dashboard Creation             | • Data Governance                     |
| • Data Visualization    | • A/B Testing & Experimentation  | • Data Queries & Interpretation       |
| • Data Modelling        | • Statistical Computing Method   | • Performance Metrics                 |
| • Business Intelligence | • Time Series Analysis           | • Storytelling                        |
| • Predictive Modeling   | • ETL (Extract, Transform, Load) | • Problem-Solving & Critical Thinking |

## PROFESSIONAL EXPERIENCE

### Data Analyst

10Alytics | Canada

January 2026 - Present

- Developed and maintained interactive dashboards in Tableau and Power BI, enabling stakeholders to track key business metrics in real time, reducing manual reporting efforts by 40% and enhancing data-driven decision-making.
- Conducted root cause analysis on data discrepancies using SQL and Excel, identifying and resolving 25% of inconsistencies, thereby improving data integrity and ensuring accuracy in business intelligence reports.
- Optimized SQL query performance, reducing data retrieval time by 30%, which significantly enhanced operational efficiency and accelerated analytics workflows.
- Automated reporting processes by designing Power BI workflows, reducing manual data extraction time by 50% and ensuring consistency across weekly and monthly reports.
- Implemented advanced data-cleaning techniques using SQL and Excel, eliminating redundant data entries and enhancing the quality of datasets for analytics and forecasting.
- Developed predictive models using historical business trends, improving demand forecasting accuracy by 15%, enabling more precise resource allocation and inventory planning.
- Presented analytical findings to cross-functional teams and senior management, translating complex datasets into actionable business strategies that informed critical decision-making.

### Program Analyst

Federal Capital Territory Administration, Nigeria

May 2019 – August 2023

- Served as a key liaison between technology teams and policy units, enhancing ICT systems to support effective program delivery and decision-making.
- Conducted comprehensive data analysis, generating insights to inform policy evaluations, program performance, and operational improvements.
- Contributed to digital transformation projects, streamlining workflows, increasing transparency, and improving access to public services.
- Ensured compliance with national data protection regulations and organizational policies, safeguarding sensitive information and maintaining data integrity.
- Developed dashboards, reports, and visualizations to communicate program metrics to stakeholders, supporting evidence-based decision-making.

- Collaborated with multidisciplinary teams to identify technology gaps, propose solutions, and implement ICT enhancements aligned with strategic goals.

### **Operations Officer**

**Standard Chartered Bank, Nigeria**

**December 2014 – June 2019**

- Managed international financial transactions, including foreign currency exchanges, wire transfers, and international drafts, ensuring accuracy, timeliness, and regulatory compliance.
- Processed and verified foreign drafts, maintaining detailed transaction records to support audit requirements and reduce operational risk.
- Monitored and analyzed currency rate fluctuations, providing insights and recommendations to clients and internal stakeholders to minimize financial risk and maximize profit.
- Collaborated with cross-functional teams to resolve discrepancies, investigate transaction issues, and ensure smooth operational workflow.
- Assisted in compliance with banking regulations, anti-money laundering (AML) policies, and internal control procedures.
- Prepared reports on transaction volumes, currency exposure, and operational performance to support decision-making and risk management strategies.

### **Operations Support**

**Integrated Corporate Services Ltd, Nigeria**

**February 2013 – December 2014**

- Supported daily banking operations, assisting with transaction processing, account maintenance, and administrative tasks to ensure smooth office and branch functions.
- Maintained accurate records of financial transactions, correspondence, and operational documents in line with company policies and regulatory standards.
- Assisted senior operations staff in monitoring workflows, identifying inefficiencies, and recommending process improvements.
- Coordinated with internal teams and external stakeholders to resolve inquiries, discrepancies, and operational issues promptly.
- Provided administrative support including document preparation, filing, scheduling, and data entry, ensuring timely completion of tasks.

### **Branch Operations Intern**

**Standard Chartered Bank, Nigeria**

**December 2011 – February 2013**

- Reconciled accounts and maintained accurate daily and monthly financial records, supporting branch operational integrity.
- Assisted with teller transactions, deposits, withdrawals, and routine banking services, ensuring efficiency and accuracy.
- Addressed customer inquiries and complaints promptly, providing solutions and escalating issues when necessary to maintain client satisfaction.
- Participated in structured training programs to develop knowledge of banking operations, internal controls, compliance requirements, and customer service best practices.
- Supported administrative and operational tasks, including document filing, report preparation, and record management, contributing to branch efficiency.

## **EDUCATION**

**MSc, Computational Science | Laurentian University | Sep 2023 – May 2025**

**Masters in Information Management | Ahmadu Bello University | Sep 2021 – May 2023**

**BSc, Computer Science | University of Ilorin | Sep 2007 – Jul 2011**
